

How do I create an account on alliedbenefit.com?

As an Allied plan member, alliedbenefit.com allows you to track your health care benefits online and access timely information and tools to help you make better health care decisions.

View your own Personal Health Record which provide you with a complete record of all your health care activity

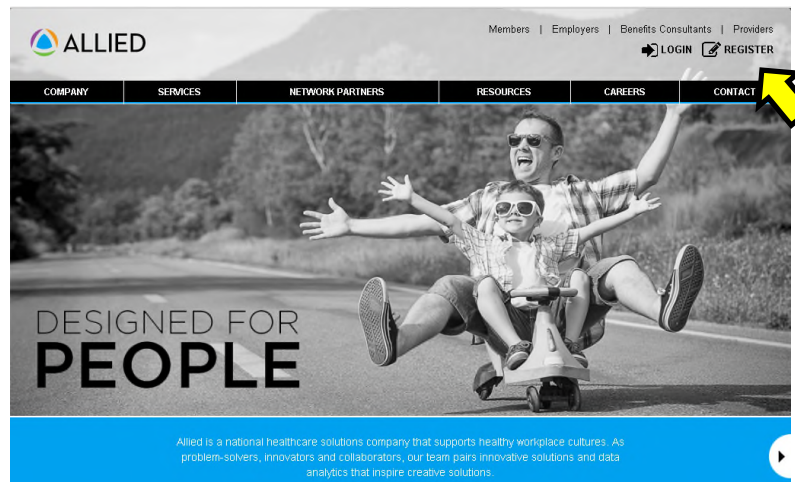

Detailed access to claims information and reports help you understand how your claims have been processed

Check quality of hospitals; compare drug treatment options

Get answers to medical questions via Allied's knowledge database

Receive wellness reminders for tests and annual exams

Step 1 Go to www.alliedbenefit.com and click Register.

Request Account

If you are an active subscriber of a group that has website access with Allied, you can submit this form to request a website account. The information you enter on this form must exactly match the account information in our system. Your group number is printed on your ID card.

In order to receive a website account, you must have medical, dental or flex coverage with Allied.
